

open up

sedus

**Proportions**

Adjustable headrest,
2 seat sizes.

Headrest

It can be pivoted forwards and is height-adjustable to suit tall and short users.

Dorsokinetic mechanism

The backrest is suspended so as to be mobile. It adapts to all body movements of the user.

“Similar” mechanism

In combination with the dorso-kinetic mechanism it achieves a backrest angle of up to 45 degrees. Also available with 4-degree seat tilt. Backrest pressure individually adjustable.

Seat height adjustment

Individual seat height adjustment with Tplus (gas lift mechanism with seat-depth springing).

Lumbar support

To support the lower back, open up can also be fitted with a height-adjustable lumbar support.

Armrests

Basic plastic or leather armrests. 3D adjustable armrests with Softtouch, gel or leather finish.

Visual features

10 shades of leather, over 200 fabrics, 3 five-star base designs, castors with 65 mm diameter

A change is as good as a rest.
When sitting.
